Subject : Quadra Jet Parts Washers

As you know, we have a number of your machines throughout our organization both in B.C. and Alberta.

To date, we have been more than pleased not only with the actual operating performance of these machines, but also the on-going follow-up and service of same.

At anytime, please feel free to use our company for a reference. We will have only good things to say about your equipment and back-up service.

Regards;
